SESSION LOG

DATE: Sunday April 19 2026

START: 8:28am

SESSIONS COMPLETED:

[COMPLETE]	PowerThinking 1-2-3	8:28am
[COMPLETE]	Mini Day Scheduling	~9:00am
[COMPLETE]	Coordinator Scheduling	~10:30am
[NEXT]	Coordinator Assignments	

VIOLATIONS IDENTIFIED AND LOCKED:

- PowerThinking abbreviated to PT --> VIOLATION
- Hebrew letters used as day labels --> VIOLATION

FRAMEWORK LOCKED:

- aleph-null = Nexus (not set theory label)
- aleph-one = coming later
- Clock structure locked
- Frame architecture locked
- Sunday Pillar structure locked

CONVERGENCE LOGIC LOCKED:

- Monday + Tuesday sessions --> converge at Apex
- Apex --> diverges toward Thursday decision point
- Evening activities --> converge into interval

OPERATIONAL RULES LOCKED:

- No abbreviations without explicit instruction
- No invented structure beyond what is stated
- No labels, no summaries, no reinterpretations
- Work with, not around, not ahead, not against
- Always either learning or losing it -- never "getting it"
- Every issue walked through, every stone turned
